Name: Wunmi Adekanembi
Position: Chair, Board Nominating Committee
Term 1: December 1, 2023– November 30, 2027

I was born in France and raised in Nigeria, where I served as a university professor specializing in the Life Sciences. In 2011, my husband Olumide and I relocated to Calgary with our eldest daughter and joined Centre Street Church, later welcoming our second daughter in 2013. My family resides in Valley Ridge, worships at the Central Campus, and our children actively participate in Children's, Youth, and AWANA ministries.

Professionally, I serve as Senior Director of Program Design at ICTC and am the founder of Immigrant Techies Network and Trade Without Borders - initiatives dedicated to promoting

Canada's economic prosperity by leveraging immigrant talent and diaspora networks to support the growth of Canadian businesses.

I accepted Christ at age 15, founded a youth ministry as a teenager, and operate with gifts of wisdom, teaching, service, and leadership by influence. At CSC, I currently serve on the Board of Governors and have previously served on the Finance and Audit Committee, AWANA, Youth Ministry, Fishers of Men, Worship Team, Encounter God Weekend, and The Journey.

Name: Elizabeth Brandt
Position: Governor
Term 1: December 1, 2025 – November 30, 2029

My connection to Centre Street Church spans 36 years. At sixteen, I moved to Calgary with my family and began attending CSC, where my mom had been a founding member in her late teens. It was here, while singing in worship, that I met my husband, Paul. After nine years in Nashville, we came home to CSC, where we have worshipped together for 23 years and raised our children, Joseph and Lily. I currently serve on the Board of Governors, including the governance committee, and in worship ministry.

In 1997 I earned a Bachelor of Science in Pure Mathematics from the University of Calgary. Two months into married life I began touring as a background vocalist in Paul's band. Today, I am co-founder of #NotInMyCity, the Buckspring Foundation's anti-human trafficking initiative.

Spiritually, I accepted Christ at six, and at nineteen, during a difficult season, I surrendered my life fully to Him. In Nashville, Paul and I learned that staying true to Christ is the only way. Jesus has proven himself faithful time and again. He is a covenant-keeping God with the power to redeem anything.

Personally, I treasure home and family, and I have loved singing in church for as long as I can remember.

Name: Michelle Bonnier
Position: Governor
Term 1: December 1, 2025 – November 30, 2029

I started attending CSC in 2004. I am currently serving on the Finance and Audit Committee of the Board of Governors. Additionally, I volunteer regularly with Global Ministries, serving on their committee and leading short-term mission trips, and I also serve with the prayer ministry at the monthly Prayer meetings. Vocationally, I have worked as a Registered Nurse for the last 16 years, currently working as a Manager at the Arthur J.E. Child Comprehensive Cancer Center, overseeing multiple outpatient departments. I have a been a dedicated follower of Christ since I was six years old, and I am grateful for the way He has led me, walked beside me, and been a constant presence throughout my life.

Name: Jeff Klaus
Position: Governor
Term 1: December 1, 2025 – November 30, 2029

My wife Lori and I began attending CSC in 1998 just after we got married. We grew up in the church but were looking for a church of our own which we could connect with deeply, and we found CSC to be the perfect new home church. We have been blessed to have made so many relationships in our being involved in various ministries throughout the years. Many of our core lifelong friendships came from our connections in lifegroup or friendship from CSC. I first began serving at CSC in Children's Ministries over 20 years ago when our daughter Makena was a young child. Since finance is my core vocation, I started volunteering on the CSC finance committee and then served on the Board. More recently I have been serving in the Cafe Ministry at Bearspaw Campus and starting a new term on the Board in December of 2025.

CSC has truly been a home to myself and our whole family over these nearly three decades. We've experienced the love and support of close friends and experienced meaningful ways to deepen our faith and understanding of God through the teaching of the church. We've seen our faith grow, as we've seen the church grow so much over the years. We are excited to continue to be part of the church and discern how God is calling each of us to serve in our everyday lives, and through the ministries of CSC.

APPENDIX D

Governance & The Role of the Board of Governors

Governing on Behalf of the Members

Centre Street Church is a member-governed church. Rather than asking the membership to make every operational decision of the church, the members elect a Board of Governors to govern the church on their behalf.

Through the Church Bylaws, the members entrust the Board with the responsibility and authority to provide governance, ensuring that the ministry of Centre Street Church remains faithful to its biblical purpose, mission, vision, and values. The Board is accountable to the members for faithfully carrying out this responsibility.

How the Board Governs

The Board of Governors follows the Policy Governance® model developed by Dr. John Carver. This model clearly distinguishes governance from management.

The Board focuses on governing the church by:

- Defining the long-term direction and desired outcomes of the church.
- Establishing policies that guide how the church is governed.
- Selecting, supporting, evaluating, and, when necessary, replacing the Senior Pastor.
- Monitoring the church's progress toward achieving its mission while ensuring ministry is conducted within biblical, ethical, legal, and financial boundaries.

The Board intentionally does not become involved in the day-to-day management or ministry operations of the church. Instead, it delegates operational leadership to the Senior Pastor.

The Role of the Senior Pastor

The Board appoints the Senior Pastor as the church's primary spiritual and organizational leader. The Senior Pastor is responsible for leading the staff and ministries of Centre Street Church and for carrying out the direction established by the Board.

The Board delegates authority through written policies that define both the desired results and the boundaries within which the Senior Pastor is expected to lead.

Ends Policies

The Board's Ends Policies describe the outcomes the church exists to accomplish. These policies express the church's biblical purpose, mission, vision, and the impact the church seeks to have in the lives of people and the communities it serves.

The Senior Pastor is responsible for determining the ministry strategies, staffing, programs, and organizational decisions needed to achieve these Ends.

Executive Limitations

While the Senior Pastor has broad authority to lead, that authority is not unlimited.

The Board establishes Executive Limitations, which define the boundaries within which the Senior Pastor must operate. These policies ensure that ministry is conducted in a manner that is biblical, prudent, ethical, financially responsible, and consistent with the values of Centre Street Church.

Within these boundaries, the Senior Pastor has the freedom and responsibility to make operational decisions without requiring Board approval for routine ministry matters.

How the Board Provides Accountability

The Board regularly monitors the Senior Pastor's performance through a structured process of policy monitoring.

Rather than reviewing individual ministry decisions, the Board asks two primary questions:

1. Are the Ends being achieved?
2. Is the Senior Pastor operating within the Executive Limitations established by the Board?

The Senior Pastor provides evidence through monitoring reports demonstrating compliance with Board policies. The Board reviews this information, asks questions where appropriate, and determines whether the policies are being faithfully fulfilled.

This governance approach allows the Board to maintain strong accountability while empowering ministry leaders to respond effectively to opportunities and challenges.

Why This Matters

This governance model allows each group within the church to focus on its God-given responsibilities:

- **Members** elect Governors and approve the Church Bylaws.

- **The Board of Governors** provides governance, establishes direction, and ensures accountability.
- **The Senior Pastor** is the primary spiritual overseer of the Church and leads the ministry and day-to-day operations of the church within the authority delegated by the Board. The Senior Pastor leads and equips the pastoral team, who together exercise pastoral ministry.
- **Staff and volunteers** carry out the ministry of Centre Street Church under the leadership of the Senior Pastor.

By clearly defining these roles, Centre Street Church seeks to maintain healthy governance, effective ministry leadership, strong accountability, and a continued focus on fulfilling God's mission for our church.

BOARD CHAIR REPORT

M. Nelson acknowledged board members and volunteer members who are serving on the board's subcommittees. The Board of Governors serves on behalf of the congregation and are the church member representatives for overseeing the work of the church.

M. Nelson shared that God's faithfulness was evident throughout the year as over 2,300 monthly volunteers and 5,100 financial contributors supported CSC's mission. The church served more than 30,000 meals, assisted 344 new Canadians monthly through the Centre for the City, and continued its global impact through 43 global workers and 31 partner agencies.

Significant milestones included completing and fully paying off major campus expansions. In an unexpected provision, Lakeview Baptist Church sold its building to CSC for $1, establishing the new Lakeview Campus. Upcoming priorities include developing additional space at Central Campus and pursuing a permanent facility for Airdrie Campus.

The General Operating Bylaw, last approved in 2013, is under review as part of good governance practice.

Following Pastor Henry's announcement that he will step aside as Senior Pastor (while continuing to serve in preaching and teaching), the Pastoral Search Committee is conducting a prayerful and thorough process aligned with church bylaws. The search

includes competency-based interviews, theological review, and reference checks. An update is expected in the new year.

The Board of Governors expressed gratitude for its leadership, staff, volunteers, and congregation, encouraging continued prayer and unity as CSC carries forward its mission to introduce people to Jesus and help them become fully devoted followers of Christ.

APPENDIX F: BOARD CHAIR REPORT

Melanie Nelson, Chair

In Acts 2 we read about the coming of the Holy Spirit at Pentecost and the immediate effect He had on the world. Peter preached a sermon exalting Jesus to his listeners. As a result of that sermon, about 3000 people placed their faith in Christ that day.

This story demonstrates that we each have a role in doing the work of ministry, but that ultimately, it is the power of the Holy Spirit at work in us that builds God's church. It's exciting to see God at work at Centre Street Church and the ways He is moving to transform people as they turn to Him in faith.

The Board of Governors is uniquely positioned to see the big picture of what God is doing at Centre Street Church, and we are grateful for the opportunity to serve the Lord as the representatives of the congregation in leading our church. We have seen the work of the Holy Spirit abundantly evident over the 2025-26 ministry year.

The work of the Holy Spirit is evident in our church through so many ways and the following numbers represent a partial reflection of how God has been at work. This year, a monthly average of over 2600 people served in volunteer roles and 5070 people contributed financially. Because of people's generosity with their time, talents and resources, we were able to serve over 13,345 meals in the year and help 293 new Canadians each quarter through the work of the Centre for the City. We also supported 41 global workers and 31 partner agencies. Most importantly, we saw 187 people make first time commitments to Jesus and saw 301 baptisms. God is at work changing lives in our midst!

A New Senior Pastor

One of the most significant changes in the history of Centre Street Church happened during this ministry year, with the appointment of our new Senior Pastor. The process of discerning and praying for God's choice for the role of Senior Pastor took over a year and I am grateful to the Pastoral Search Committee and the Board of Governors for their prayers, sacrifice, perseverance, dedication and diligence through the process. I am also grateful to

you, our congregation, for your prayers, support, comments and wisdom as we navigated this process.

We saw the hand of the Holy Spirit in bringing Kent Priebe to us 15 years ago, and throughout the search process it was so clear to us the ways God had been preparing Pastor Kent to assume this role. Pastor Kent had been providing substantial leadership in his role as Senior Executive Pastor under the mentorship of Pastor Henry for many years and became our Senior Pastor in May. Pastor Kent brings wisdom, energy, and leadership ability to the role, but most importantly he loves Jesus, lives a life of reliance on Jesus and is a man of great faith and prayer. We are also grateful to Pastor Henry for continuing to serve the church in the role of Lead Teaching Pastor and the Pastor Emeritus role that acknowledges and honours him for his commitment to the Lord and His bride, the church – our church, over the past 45 years and for however many years ahead the Lord has for him.

Building More Room

Last year we celebrated how God was at work through your generosity and allowed us to pay off all the costs associated with the construction of our Bearspaw Campus and the expansion at Central Campus. The work is not done, and God continues to bless the ministries here at CSC. As ministries such as Children's Ministries and Youth and our New Canadian Hub continue to grow, we're finding we need even more room. That is why we have decided to complete the fourth floor of the expansion. This will provide additional classroom space for ministry and will allow all our staff to come together in one space, allowing them to work and collaborate more effectively. The space where staff are currently sitting can then be used for ministry – especially for youth, worship, and children's ministry. We also celebrated the transition of our Lakeview Campus to their new location. We praise God for His provision of the Lakeview church building that was a catalyst for an amalgamation of hearts and hands to come together in service to the Lord in south Calgary.

We are also continuing to pray for a permanent home for our Airdrie campus. Airdrie welcomed Dan Eagle this year and the Airdrie Campus is thriving and growing. We would love to see Airdrie Campus settled in a permanent home that would serve as a bridge to the community – allowing them to host mid-week discipleship programs and offer hospitality to their neighbours.

Operating Bylaw Update

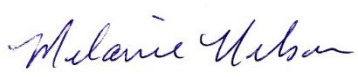

Last year we told you that it was time to update our General Operating Bylaw. This is our key governing document that sets out how the board is elected, the process and qualifications for membership, and more. The last time the operating bylaw was updated was 2013. The bylaw has served us well, but it is prudent governance to review it from time to time. We progressed a review that included the work of a governance sub-committee of the board taking input from the full board, outside legal counsel and staff. We also undertook a consultation process with the congregation, with two open house events and online consultation. We are grateful to everyone who participated in the process, especially those of you who read through the changes and provided meaningful and thoughtful feedback.

The result of all this work is that we are progressing towards having an updated bylaw with language that is clearer. This is a significant work and one that needs to be rightly handled to best support our church for the years ahead. We received some very recent, valuable, and important feedback that we feel needs to be integrated into the bylaws and the board is working to have these completed as soon as possible. While our desire was to bring the updated bylaws to the membership at this AGM, our greater desire is to ensure that the final bylaw presented to the membership is robust and has longevity. Considering this, the board has made the hard but wise decision to hold off until all reviews are complete and we have incorporated all the wise counsel appropriately. If this work is completed well prior to the AGM date in 2027, it may be brought before the membership at a special meeting of members with plenty notice. Thank you for engaging with us on updating the bylaws and for your patience as we seek to honour the Lord with our best work by taking more time.

Conclusion

The Board of Governors is the membership's representative body when it comes to overseeing the work of the church. We are all volunteers, and we work hard on your behalf to ensure the church is governed well. My personal thanks to my fellow board members, subcommittee members and administration for your hearts for the Lord, prayers, faithfulness, diligence and hard work. This November I conclude two consecutive terms on the board and am delighted to pass the reins on to Lane Irvine who will be the Board Chair, effective December 1, 2026. Thank you, congregation, for the trust that you have placed in us and your faithful and diligent work in prayer and support.

God bless,

Melanie Nelson,
Chair, CSC Board of Governors

APPENDIX G: SENIOR PASTOR'S REPORT

Kent Priebe, Senior Pastor

In Deuteronomy 31:8 we read, "It is the Lord who goes before you. He will be with you; He will not leave you or forsake you. Do not fear or be dismayed." Since becoming your Senior Pastor, I have been praying that we would be a church that follows closely behind the Lord who goes before us: not running ahead of Him in our own strength, and not lagging behind in fear, but walking close enough to hear His voice and quick to obey it.

As I reflect on this past year, I see again and again how God has gone before us. God has been leading the way, He does the work, and we have the privilege to be invited into what He is doing. We celebrate acquiring the Lakeview location and completing the renovations of Lakeview Campus. Across all our campuses, we've seen dozens of baby dedications, united dozens of couples in marriage, walked alongside dozens of families in funeral services. We've seen over 300 people baptized, and almost 200 people receive Jesus Christ as their Savior and Lord. For the first time in years, we united all our 5 campuses together at Central Campus for our Christmas Experience, and we have remained committed to gather at our Prayer Summits the 4th Wednesday of every month for prayer.

God loves Centre Street Church. He is working through us in all we do to help more people come to know the love and salvation that He has for us through faith in His Son Jesus Christ. I think of Patrick's testimony. Patrick was in a very challenging place in life and was searching for answers to his questions. God led Patrick to Lakeview Campus and he began attending a men's group and then an Alpha group. Patrick gave his life to the Lord! God led Patrick and his girlfriend to Encounter God and, on the drive back from the retreat they decided to get married. God led Patrick to be baptized and he was the first person to be baptized at Lakeview Campus. Patrick and his wife Janis are involved in a Missional Community group and I remember talking to Janis this past Easter and she said "This is my first Easter as a Christian, and I'm seeing my life and everything in a whole new way. Everything is different because I know Jesus." That is the whole reason we exist as a church. I still remember when that became true for me, and it has never stopped being true. I am humbled and moved to see how God is at work in people's lives, and He is at

work in yours too. He is always up to something good. Let us be people who love Jesus first, listen for His voice, and then have the faith and courage to do whatever He asks.

As a church, we can ask ourselves, who are we? Who do we want to be? We want to be people who: Pursue God, Pursue Relationships, Pursue Mission, Pursue Generosity and Pursue Simplicity. These are not five programs; they are five expressions of one devotion. Everything begins with pursuing God. We love Him because He first loved us (1 John 4:19).

As you read our Annual Report that captures as best as we can God's activity among us, see the numbers for what they are: PEOPLE. Every salvation, every baptism, every new group, every volunteer and every gift represents someone taking a next step with Jesus, and someone else who helped them take it. This is our vision, and it is not changing: to be a biblically functioning community of fully devoted followers of Jesus Christ, accomplishing God's redemptive purpose in the world.

In March, I became the Senior Pastor of Centre Street Church. I am grateful to God for the faithful leadership of the Board of Governors, for our congregation and for everyone who had a role in helping the church navigate the change in leadership. I am also very grateful for Pastor Henry Schorr, for his mentorship and for his faithful ministry of over 45 years. I am also grateful that he is going to continue to preach, lead our prayer ministry, and serve as Pastor Emeritus.

A change in senior leadership is a significant moment in the life of any church. What stands out to me is that, through this season of transition, our church has kept its eyes fixed on Jesus. In the 2025–2026 ministry year, we saw growth in attendance at every campus, more baptisms, more new members, more groups, and more volunteers than in any of the previous three years. That is a testimony to God's faithfulness and the health of His church.

As we step into the 2026–2027 ministry year, I want to share where I believe the Lord is leading us. My prayer is that every one of our campuses would be a place where people meet Jesus, grow to love Him more deeply, and are sent out to love our city in His name. I long to see more people like Patrick and Janis come to faith, more of us praying with expectancy at our Prayer Summits, and more of us opening our homes, our groups, and our lives to people who are still searching. We will not get there by our own strategy or strength. We will get there the same way we got here: by pursuing Jesus with all we are as He goes before us.

Most of all, I am grateful to our Lord Jesus Christ. He is the head of this church, and He will continue to guide us and bless us as we follow Him. My greatest hope for Centre Street Church is that we would love Jesus more: that each of us would know Him more deeply, follow Him more closely, and make Him known more boldly. Let us run with endurance,

“looking to Jesus, the founder and perfecter of our faith” (Hebrews 12:2). To Him be the glory!

Sincerely,

Kent Priebe,
Senior Pastor, Centre Street Church

APPENDIX H: BOARD TREASURER'S REPORT

Lane Irvine, Treasurer

On behalf of the Board of Governors (BoG), the Finance and Audit Committee (FAC) of the BoG of Centre Street Church (CSC or church) is pleased to report on the financial health of the church for the fiscal year ended June 30, 2026.

CSC is a federally incorporated charity under the Canada Not-for-profit Corporations Act and operates as one church in multiple locations, governed by one Board of Governors and operating within one unified financial structure. The campuses are not separate financial entities; they are part of the one organization, CSC.

Executive Summary

An external financial audit was completed for fiscal year 2025-2026. The audited financial statements are attached for reference.

Giving to our general funds remained strong and ended the year at 106.0% of budget. We ended the year with expenses under budget.

Giving to BUILD More Room for God capital projects was $1.9 million[1] which was less than last year's giving which was $2.8 million. As of August 31 2026, we have given $2.1 million towards our current goal of $5.5 Million!

In the current fiscal year starting July 1, 2026, the budget is $19.0 million or 7% over last year's actual giving.

Audited Financial Statements

An external audit of the financial statements for the fiscal year ended June 30, 2026 was completed by Dart Bryant LLP Chartered Professional Accountants, who were engaged as

recommended by the Board of Governors and approved by the membership of CSC at the 2025 AGM.

The FAC met with the auditors, first with management and then independently, and reviewed the significant accounting policies, financial reporting and internal control over financial reporting. No material deficiencies were identified. The audit verified the financial position of CSC as at June 30, 2026, and the results of its operations and cash flows for the year then ended, are in accordance with Canadian Accounting Standards for Not-for-Profit Organizations. The audited financial statements for the year ended June 30, 2026 include:

i. Statement of financial position as at June 30, 2026,
ii. Statement of operations and changes in fund balances for the year ended June 30, 2026 (also known as an income statement),
iii. Statement of cash flows for the year ended June 30, 2026, and
iv. Notes to financial statements for the year ended June 30, 2026.

Auditor Review Process

Based on board policy, a full auditor selection review process will occur at least every 10 years. This process was last completed in the summer and fall of 2025, and the June 2026 audit by Dart Bryant LLP is the first audit after the most recent review process.

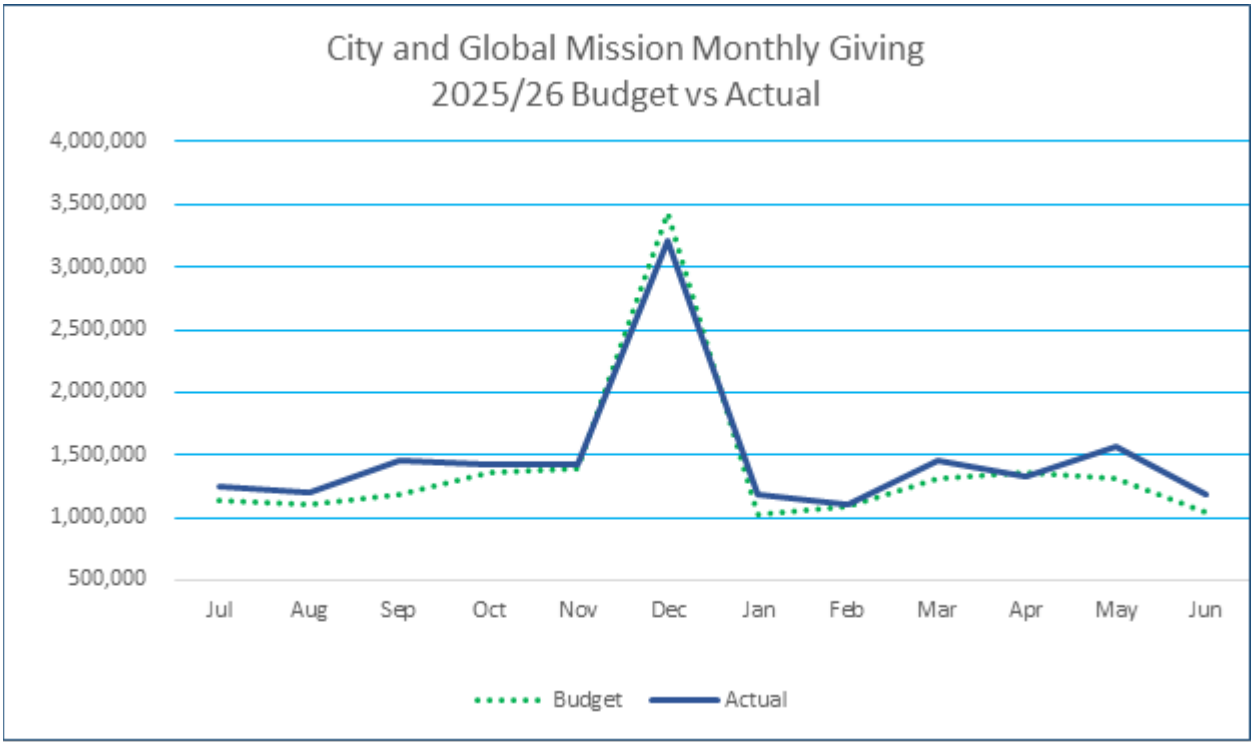

Context of Church Accounting Structure

CSC operates its financial activities using the fund accounting method. The fund accounting method segregates the purpose, funding and expenditure functions of the various ministry areas of church operations. CSC prepares budgets for each fund, in accordance with policies and limitations set by the BoG. The three primary fund categories are City Mission General Fund, Global Mission General Fund and Capital Funds. Various other funds specific to individual CSC ministries are aggregated together as "Other Funds". [2] Throughout the year, FAC provides support to the BoG with respect to these funds and financial activities. This report will discuss revenue and expenses for the primary funds.

General Fund Giving

The budget for our General Fund offerings for July 1, 2025 – June 30, 2026 was set at $16.75 million. General Fund "Ministry and Missions" giving toward our General Funds were allocated 80.0% to the City Mission General Fund, which provides resources to the ministry of our church through our campuses (e.g. staffing, ministry and operational expenses), and 20.0% to the Global Mission General Fund which provides resources for local, national and international mission work through CSC (e.g. Centre for the City) and CSC Ministry Partners.

Giving to support our General Funds for July 1, 2025 – June 30, 2026 was $17.8 million[3] which is 106%[4] of budget. During the course of the year, on a cash accounting basis, giving was below budget in only two months of the year and exceeded the budget in ten months.

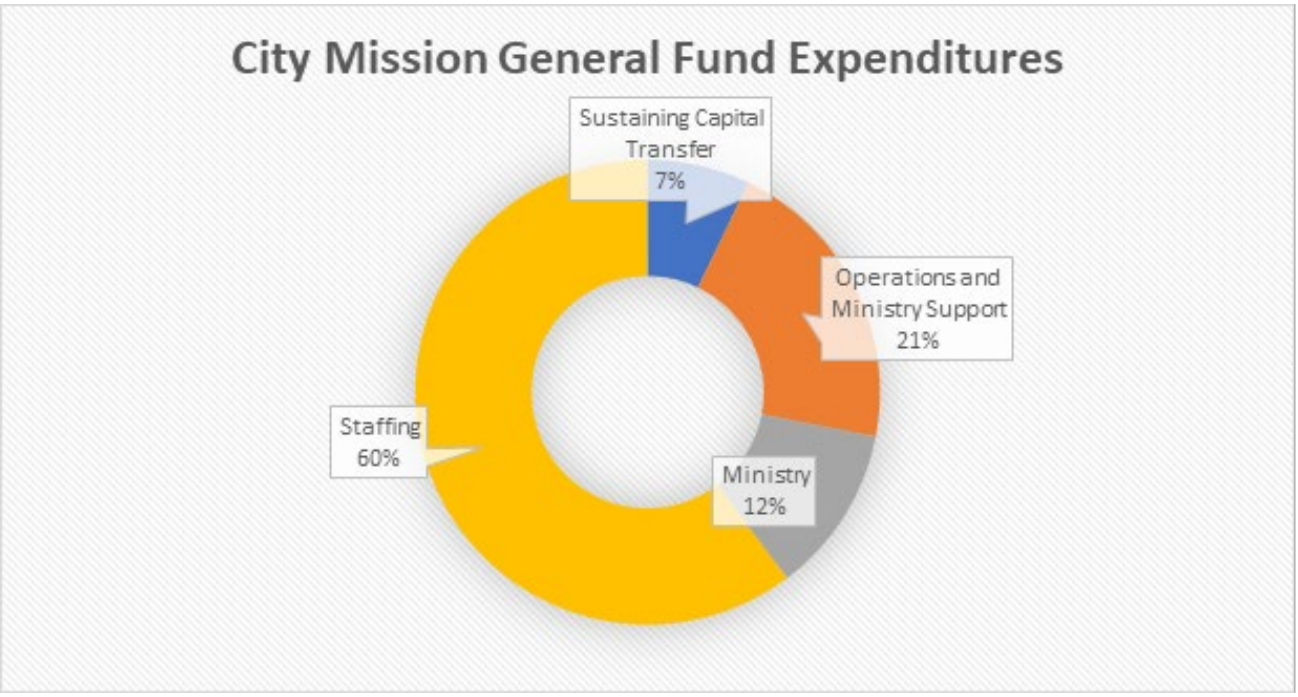

Expenditures

Expenditures for the 2025/2026 fiscal year were under budget.

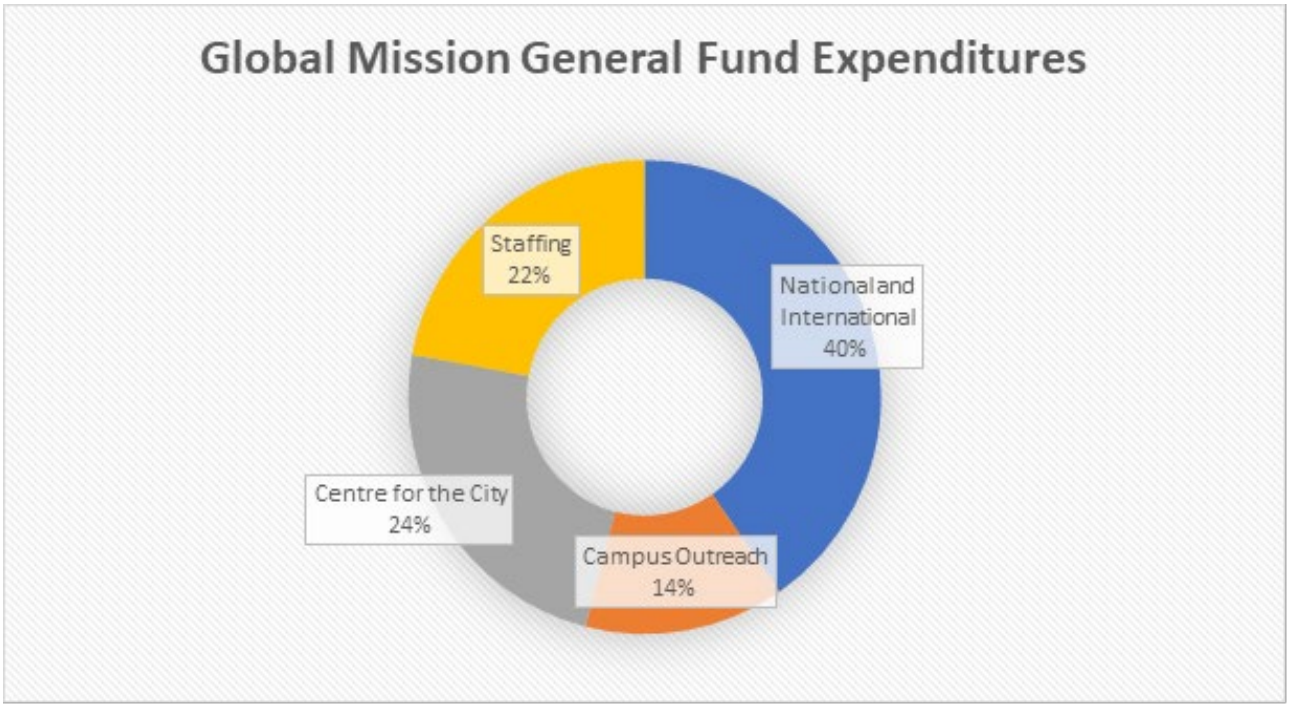

Expenditures are forecasted to increase in 2026/2027 due to many factors including increased operating costs of additional square feet with a new facility (Lakeview Campus), inflationary pressures, and with congregational growth and increased ministry activity. The 2026/2027 budget is $19.0 million. This is an increase of 7% of 2025/2026 giving. A 2% increase is associated with inflation, and a 5% increase is a faith goal

As our City Mission General Fund budget increases, we have also increased our starting cash balance from $650,000 to $750,000. This is in recognition that expenses are typically higher than giving in the first months of the fiscal year.

City Mission General Fund expenditures were as follows:

Global Mission General Fund expenditures were as follows:

In addition to General Fund Expenditures, $100,597 was given to support ministry partners through designated giving, and $223,618 was given to support additional missional projects from the Global Mission Opportunity Fund.

Build More Room for God Capital Development Fund

The 2025-26 ministry year was one of steady growth at campuses and in ministries. Last year we were approached by Lakeview Baptist Church, and, after a time of discernment, we purchased their building for a nominal cost. We invested nearly $2 million in badly needed improvements that allowed our newly named Lakeview Campus to move into a great facility in September. Since then, the campus has seen growth in attendance and is always looking for ways to reach out to the communities around it.

Children's Ministry is also an area where we see consistent growth. The expansion at Central Campus opened nearly two years ago, and our Central Campus building is already being used at capacity for ministry, including Children's Ministry, English language training, Crossover Sports ministry and discipleship. Needing more space, we have started completion of the fourth floor, which will be completed in the coming year. This construction is projected to cost about $3.5 million.

Finally, we continue to pray and seek God's leading on a permanent home for our campus in Airdrie. This campus has also seen growth in attendance, and it is more important than ever that they have a place where they can meet mid-week. Please be praying with us that God would lead us to the right opportunity, and that He would provide the resources needed to make a building a reality.

Over the 2025-26 ministry year 5,070 congregants supported our church financially. We are grateful for the partnership of each of these givers as we pursue our mission of introducing people to Jesus and helping them become His devoted followers.

Financial Position

CSC is in a healthy financial position. Current Assets total is $13.1 million[5] at June 30, 2026. CSC property and equipment had an accounting 'net book value' of $71.4 million[6] as at June 30, 2026. 'Net book value' is reported on the historical cost accounting basis, which means the original purchase cost minus accumulated depreciation to date. This number is not connected in any way to the amount the properties are insured for, or the re-sale value of the properties on the market.

At year end, owned properties include Central Campus, Bearspaw Campus, Bridgeland Campus and Lakeview Campus. Airdrie Campus holds weekend services on leased premises.

Conclusion

As treasurer, I am continually amazed at what God does when it comes to generosity at Centre Street Church. In the ministry year you gave over $17.7 million to our Ministry and Missions fund which finances ministry at CSC, in Calgary and around the world. This money helped provide educational materials for our children and youth, supports meals and English languages classes in the Centre for the City, and distributes Scripture resources and supports church planting around the world.

Proverbs 3 we are told to honour the Lord with our wealth. We are grateful for the ways the congregation has done that with their generosity and Centre Street
Church seeks to honour the Lord with each dollar or hour of time He entrusts to us. We are very focused on our mission to introduce people to Jesus and help them become devoted followers of Jesus.

The activity level at our church is incredible. We are constantly inviting people into community and into ministry. Our buildings host thousands of events every year, all designed to point people to Christ. This level of activity requires resources, and once again we are raising our annual budget to meet the need. We are counting on our church to step up to support this important work.

Thank you for being part of our church and for investing your time, talent and treasure in the mission that God has called us to as we introduce people to Jesus and help them become fully devoted followers.

Please review the audited financial statements. If you have any questions, or are interested in serving in a financial ministry area, please contact the FAC, Stella Penner or Gentry Stickel.

Additionally, on Sunday, November 22 from 4:00 - 4:50 PM, members of the Board of Governors, Finance Committee, and CSC Staff will be available at Central Campus prior to the AGM to meet with congregants of CSC who have questions about CSC, including finances. This is intended to be an informal opportunity to ask questions that may not be conducive to the formality of the Annual General Meeting.

Sincerely,

Lane Irvine

Management's Responsibility for Financial Reporting

The financial statements of Centre Street Church have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Centre Street Church's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Board of Governors is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board carries out this responsibility principally through its Finance and Audit Committee. The Finance and Audit Committee is appointed by the Board and meets periodically with management and the auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Finance and Audit Committee reports to the Board of Governors prior to its approval of the financial statements. The Committee also considers, for review by the Board and approval by the members, the engagement or re-appointment of the external auditors.

The financial statements have been audited on behalf of the members by Dart Bryant LLP, Chartered Professional Accountants, in accordance with Canadian generally accepted auditing standards.

INDEPENDENT AUDITOR'S REPORT

To the Members of Centre Street Church

Opinion

We have audited the financial statements of Centre Street Church (the Church), which comprise the statement of financial position as at June 30, 2026, and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Church as at June 30, 2026, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Church in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Church's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Church or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Church's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Church's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Church's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Church to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. PURPOSE OF THE ORGANIZATION

Centre Street Church ("the Church") is a member of the Evangelical Missionary Church of Canada (EMCC), operated through a federally incorporated body and registered with Canada Revenue Agency as a charitable organization and accordingly is exempt from income taxes.

The Biblical purpose for the Church is to glorify God through exalting Him, edifying one another and equipping believers for effective ministry and outreach, which is done by pursuing God, pursuing relationships, pursuing mission, pursuing generosity and pursuing simplicity.

The continued operation of the Church is dependent on the continued support of interested individuals.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) on a going concern basis and include the following policies:

Fund accounting

These financial statements include the revenues, expenses, assets, liabilities and fund balances of the funds controlled and administered directly by the Church.

The funds are summarized for reporting as follows:

- City Mission General fund,
- Global Mission General fund,
- Other funds (including CSC Resource Centre, Cafe, Scholarship and Student Development, City Mission Opportunity, Designated Missions, Global Mission Opportunity, Mission Trips, Pastoral and Staff Training, and Emergency Reserve funds),
- Capital funds (including City Mission Capital, City Mission Capital Development, Sustaining Capital, and Global Mission Capital Development funds).

Financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment when there are indicators of impairment. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial instruments of the Church including cash and cash equivalents, accounts receivable, investments, security / tender deposits, and accounts payable and accrued liabilities are measured at amortized cost.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Cash and cash equivalents

Cash and cash equivalents are comprised of cash and short term deposits with original maturities of 90 days or less and are readily convertible to known amounts of cash, and are subject to insignificant risk of change in value.

Inventory

Inventory of books and other items for sale in the CSC Resource Centre is valued at the lower of cost and net realizable value with the cost being determined on a first-in, first-out basis. Inventory recognized as an expense during the year amounted to $118,185 (2025: $50,623).

Property and equipment

Property and equipment are recorded at cost less accumulated amortization. Property and equipment are amortized over their estimated useful lives at the following rates and methods:

Buildings	40 years	straight-line method
Parking lots	20 years	straight-line method
Furniture and equipment	5 years	straight-line method
Computer equipment	5 years	straight-line method
Audio visual equipment	5 years	straight-line method
Motor vehicles	10 years	straight-line method

The Church regularly reviews its property and equipment to eliminate obsolete items.

Purchases less than $10,000 with a life less than 5 years are expensed as purchased. Contributed assets are recorded at their estimated fair value at their date of contribution.

Buildings under construction are not amortized until put in use.

Impairment of long lived assets

The Church tests for impairment whenever events or changes in circumstances indicate that the asset no longer contributes to an organization's ability to provide goods and services, or that the value of future economic benefits or service potential associated with the asset is less than its net carrying amount. When a test for impairment indicates that the asset no longer contributes to an organization's ability to provide goods and services, or that the value of future economic benefits or service potential associated with the asset is less than its net carrying amount, an impairment loss is recognized to the extent the carrying value exceeds either the fair value or the replacement cost as determined on an asset-by-asset basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Revenue recognition

The Church follows the deferral method of accounting for contributions where externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred and, if the restricted contribution is for the purchase of non-depreciable capital assets, directly as an increase to fund balances. Unrestricted contributions to specific funds are recognized when received or receivable.

Programs, services and sales revenue are recorded as earned and include programs and various events for which participation is considered more important than the completeness of revenue. Investment income is recorded as earned.

It is Church's policy that 80% of general donations are allocated to the City Mission General Fund and 20% to the Global Mission General Fund. 7% of the donations allocated to the City Mission General Fund are allocated to the City Mission Sustaining Capital Fund and 3% of the donations allocated to the Global Mission General Fund are allocated to the City Mission Sustaining Capital Fund. Additionally, 10% of donations received to the City Mission Capital Development Fund are allocated to the Global Mission Capital Development Fund.

Contributed services and goods

Volunteers contribute a significant number of hours each year to assist the Church in carrying out its mission. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements. Contributed goods are only recorded if the value can be determined and the item would otherwise be purchased.

Allocated expenses

The Church reports its expenses based on function (Staff and contract, Designated missions, Ministry, operations and support) with expenses not directly related to a function being included in Ministry, operations and support.

No fundraising costs have been incurred in 2026 nor 2025. All general expenses are included in general fund operations.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period.

In the financial statements of the Church, the more significant areas for which management is required to make estimates include the valuation and impairment of accounts receivable, inventory and property and equipment, the amounts of accrued liabilities, the fair value of donated property, and amortization of property and equipment. Actual amounts could differ from those estimates.

3. FINANCIAL INSTRUMENTS

The Church's financial instruments in the balance sheet are comprised of cash and cash equivalents, accounts receivable, GST recoverable, investments, and accounts payable and all current liabilities. All are recorded at amortized cost.

Credit risk

Credit risk arises from the possibility that third parties may default on their financial obligations. The Church is exposed to credit risk on cash which is minimized by ensuring that cash is held with credible financial institutions.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Church is mainly exposed in regards to stock donations received which are liquidated shortly after receipt.

a) Currency risk
Currency risk is the risk that the value of financial instruments denominated in currencies other than the reporting currency of the Church will fluctuate due to changes in foreign exchange rates. The Church is not exposed to foreign currency risk.

b) Interest rate risk
Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Church is exposed to interest rate risk on its fixed and floating rate cash and cash equivalents and its GICs which are linked to the prime rate. In seeking to minimize the risks from interest rate fluctuations, the Church manages these risks through diversified short term deposits with financial institutions.

c) Other price risk
Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Church is not exposed to significant other price risk.

Liquidity Risk

Liquidity risk is the risk that the Church will encounter difficulty in meeting obligations associated with financial liabilities. In minimizing the liquidity risk, the Church prepares annual budgets for each fund and actively monitors its cash flows from operating, investing and financing activities.

The difference between the property's fair value and the transaction and related costs in the amount of $3,905,880 was reported as a contribution in 2025. If the Church disposes of the property within five years of acquisition, the Baptist General Conference in Alberta has an option to acquire the property at the amount invested by the Church in the building renovation.

Spiritual Gifts / Talents
I consider my spiritual gifts to include leadership, giving and service. I am excited to serve in any capacity to further God's kingdom. I trust that God will continue to challenge me as He calls me to new areas of service.

Brief Description of Your Spiritual Journey

I grew up in a strong Christian home. My father has been a terrific example of spiritual leadership my whole life. And my mother has an amazing servant heart. I became a Christian at an early age, attending Sunday school each week and going to Bible camp every summer. I left Peace River in my late teens and struggled the next few years to make my faith my own. I began attending Centre Street Church in 1997, the year I moved to Calgary. My wife, Cheryl and I became CSC members in 2000, the same year we were married. We were involved as leaders in the Young Marrieds' Ministry for a time. Cheryl and I have enjoyed the community of the various small groups we've been a part of over the years, meeting many of our closest friends there. Our three kids have all progressed through Children's Ministries, SALT, Youth and Young Adults. I am truly blessed to attend Centre Street Church and consider it an honour whenever I can serve in any capacity to advance the kingdom of God!

APPENDIX K: NOMINEE INFORMATION: P. Williams

NAME: Pelé Williams
SPOUSE: Soji
CHILDREN: Moyo & Deji

PERSONAL BACKGROUND

I was born and raised in Ibadan, Nigeria, the second of five daughters in a loving family. I developed a passion for reading, meeting people, and exploring new places early in life. At age 12, driven by curiosity and a desire for adventure, I chose to attend boarding school. Since then, education and career opportunities have provided me with the opportunity to live on several cities in Nigeria and later Canada.

In 2001, I moved from Lagos, Nigeria to Winnipeg, Canada, to pursue graduate studies in Computer Science. Two years later, I married my college sweetheart, Soji, and we relocated to Calgary to pursue opportunities in the oil and gas industry. Our sons, Moyo and Deji, were born in Calgary in 2005 and 2006.

In 2016, the Lord led our family to Centre Street Church's South (Lakeview) Campus, where we found a thriving community of faith. We have all had the opportunity to grow, serve and build meaningful relationships over the 10 years that we've attended the CSC.

I'm at IT professional, with a deep passion for learning and developing people.

VOCATION: IT Professional

CURRENT MINISTRY INVOLVEMENT(S):

- Prayer Ministry Lakeview Campus
- Missional Group (led by Kevin and Beena Weibe)
- Bible Study Fellowship – Distance Assistant Online Trainer
- Monday Night Evangelism
- Lakeview Campus Leadership Team
- Board Governance Committee

PREVIOUS MINISTRY INVOLVEMENT(S): Children's Ministry (Grade 1-4) Lakeview Campus

SPIRITUAL GIFTS / TALENTS: Exhortation, Teaching, Giving, Mercy and Faith

BRIEF DESCRIPTION OF SPIRITUAL JOURNEY:

During my childhood, my mother inspired my sisters and me to love and serve God through her deep faith. My father, a philosopher, was more skeptical of the church, yet he never discouraged our involvement because he saw the positive impact it had on our lives.

My personal pursuit of God began at age 14 after I was miraculously healed of a terminal disease during a healing service. I joined the Student's Christian Movement (SCM) in high school and where I developed a keen interest in the prayer ministry.

I later became active in the Evangelical Christian Union (ECU) during my undergraduate years, serving in children's ministry and leading Bible clubs in local communities. I was baptized at age 24 shortly after completing university.

I continued serving in children's ministry until earlier this year, when the Lord led me into adult evangelism through the Monday Night Evangelism ministry.

In January 2020, during the Covid pandemic and shortly after recovering from a cancer diagnosis, I joined Bible Study Fellowship. That season gave me space to seek God more intentionally, and I committed to investing the rest of my life in pursuits of eternal value. Since then, I have experienced exponential spiritual and character growth as God has revealed Himself through His Word. Today, I serve as an assistant lead for the Group Leader in BSF across the Prairies (Calgary, Edmonton, Manitoba, and Saskatchewan).

In 2025, I was invited to join the Governance Committee of the Board of Governance for Centre Street Church. This has been an exciting and humbling journey, serving God's people in a way that is both deeply spiritual and highly professional. I am grateful that God includes me in His work and look forward to how He will continue to grow and use me through this opportunity.
