

MAIN POINT:

Jesus Cares

BIBLE VERSE:

"Great is our Lord, and mighty in power." Psalm 147:5

BIBLE STORY SUMMARY:

Jesus was teaching a large crowd of people. Toward the end of the day, they were getting hungry, but there was nowhere for them to get food. Jesus told His disciples to feed the people, but they didn't know how they could. A young boy had brought his lunch of five small loaves of bread and two fish. The disciples brought it to Jesus. He blessed the food, and then gave it to the disciples to hand out to the people. There was enough food for everyone! All of the people ate until they were full, and then the disciples were even able to collect twelve baskets of leftovers. Jesus fed the people because Jesus cares.

TALK ABOUT IT:

1. **God cares for us by giving us what we need. How does God give us what we need?** (He sends rain and sunshine to make plants grow for food, He sends rain to give us water, He made people who make our clothes and build our houses, He made trees that give us wood to build our houses, He gave us families who love us.)
2. **Jesus cares for each one of us. He gives us everything we need. A need is something we can't live without, like food, water, clothing, or a place to live. He also gives us people who love us very much. Let's say "Thank you God", every time we think of something God has given us that we need.** (Say the phrase together throughout the day, each time you eat, drink, when you come inside the house from playing, when they have a bath, when you have bedtime snuggles.)

FAMILY PRAYER:

Dear Jesus, Thank You that You care for us so much. You give us everything we need. We love You. In Your name, Amen.
