TALK ABOUT IT:

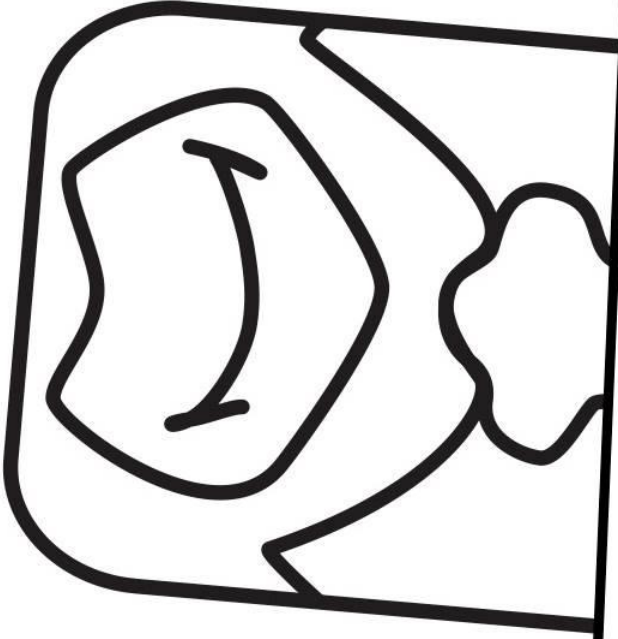

- 1. If you were blind, you wouldn't be able to see your friend's faces, you couldn't see what you were eating, and you couldn't see what you are colouring. You would need people to describe what something looked like, or you'd have to feel it with your hands. We're going to take turns closing our eyes, and guessing what something is.**
(When it's each person's turn, have them close their eyes, then give them an object to feel, and see if they can guess what it is.)
- 2. Jesus is powerful. He can heal people who are sick, have broken bones or who can't see. There is nothing that Jesus can't do. What are things you're glad that God is powerful enough to do?** (He makes the sun get up each day, He's created things in our world, He can heal our bodies when we're hurt, He can take away illnesses.)

FAMILY PRAYER:

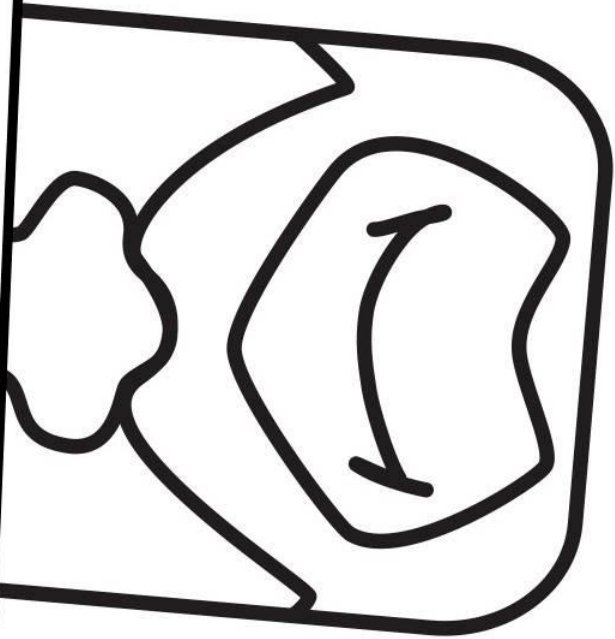

Dear Jesus, Thank You that You care for us so much. You are powerful and we know that You can do anything! We love You. In Your name, Amen.
