FAMILY PRAYER:

Ask your child how you can pray for them.

- What is their biggest concern this week?
- Where do they see God working in their life?

Pray with and for your child.

- Pray together as a family, taking turns thanking God for each other and asking Him to fill you with a desire to know and grow in your relationship with Him, removing all obstacles to fully trusting and knowing God, the One who loves you dearly and is worthy of your praise.
- Pray this over them: May you come to God everyday believing with all your heart that He is all you need. As God continues to show you His greatness and soften your heart with His love, may you grow to fully trust that He is your true protector and provider.
