

MAIN POINT:

See How God is Working; Jesus is Alive!

BIBLE STORY SUMMARY:

Before Jesus died, He told His friends all that would happen to Him, but they did not understand. They were unable to see the whole picture of God's plan. They did not understand that light would come out of the dark time surrounding Jesus' last week on earth and His death.

People who didn't believe that Jesus is God's Son wanted to kill Him, and they got their way. Jesus died on a cross like a criminal even though He hadn't committed any crime. Jesus' friends and followers were very sad. After Jesus died, His friends wrapped Him in cloth and laid Him in a tomb, which was closed with a heavy rock. Three days later, Jesus' friends went to the tomb, but when they arrived, the rock was rolled away and the tomb was empty. Jesus was gone. His friends were very confused. Then angels appeared to them and asked why they were looking for someone who's alive. Jesus is alive!
