Pray for our Partners

- God would prompt hearts to pack shoe box gifts and open the hearts of children around the world to receive Jesus as their Savior.
- More high-capacity volunteers.
- The anti-trafficking programs around the World that helps vulnerable young people, who are trapped in sex or labour trafficking, to escape and return to their homes and find healing and acceptance.

Pray that:

- Camp directors (they are youth workers too!) as they begin to put their summer staff teams in place. When it comes to following Jesus, camps continue to be a primary place for those first time decisions amongst children and youth.
- Wisdom and strength for the Youth Worker Community team to encourage and equip the thousands of youth workers from coast to coast.
